Languages Known: English, Marathi, Hindi

PROFILE SUMMARY

- Experienced **.NET Developer** with 2 years of hands-on experience in developing scalable web applications using **C#, ASP.NET Core**, and **SQL Server**. Skilled in **RESTful API** design, **database optimization**, and secure authentication.
- Proficient in **React.js** for building responsive and dynamic user interfaces. Passionate about delivering high-performance, maintainable solutions.

PROFESSIONAL EXPERIENCE

Orinova innovation and technology private limited, Pune, India

.NET Developer

July 2023 – Present

- Developed scalable .NET Core applications with enhanced performance and security.
- Built and maintained RESTful APIs using ASP.NET Core for seamless integration with frontend platforms.
- Designed and implemented responsive UI components using React.js.
- Optimized SQL Server queries, indexing, and overall database performance.
- Created PL/SQL packages for advanced data transformation and business logic.
-

Ux-Prodx, Noida, India

Frontend Developer Intern

March 2022 – July 2022

- Developed a fully responsive e-commerce platform using React.js, ensuring smooth navigation and optimized performance.
- Applied modern CSS frameworks and JavaScript libraries for a visually appealing and user-friendly interface.

PROJECTS

Hospital Management System

- Developed a comprehensive system using **C#, ASP.NET Core**, and **SQL Server** to manage patient records, appointments, and staff details.
- Built a responsive front-end with **React.js** for a user-friendly experience across devices.

- Created optimized **PL/SQL packages** for efficient data retrieval and manipulation.
- Implemented real-time appointment scheduling to enhance system efficiency and patient engagement.

Music Streaming Platform

- Built using **React.js, ASP.NET Core, and SQL Server** with a custom music streaming engine.
- Designed an intuitive UI for a personalized music streaming experience.
- Implemented secure user authentication, playlist management, and seamless music playback.

E-Commerce RESTful API

- Developed a robust e-commerce backend using **C#, ASP.NET Core, and SQL Server**.
- Implemented JWT-based authentication and role-based access control for secure user management.

EDUCATION

Qualification	Institution	Year of Passing
B.Sc. (Computer Science)	Vidnyan Mahavidyalaya Sangola	2023
HSC	MIT Junior College, Pandharpur	2018
SSC	Vikas Vidyalaya, Ajanale	2016

TECHNICAL SKILLS

- **Backend:** C#, ASP.NET Core, RESTful API Development
- **Frontend:** React.js, HTML, CSS, JavaScript
- **Database:** SQL Server, Entity Framework
- **Version Control:** Git, GitHub, Bitbucket
- **Cloud Platforms:** Azure, AWS (Basic)
